On Tuesday, June 11th, the Southern California Development Forum will present an International panel of experts with deep and varied experience in International expansion strategies as well as project design and delivery.

In today's global economy, many business owners feel that they must constantly expand their organizations in order to acquire and service new customers. Global expansion is increasingly becoming a business development strategy for companies of all sizes. Demand for excellence and expertise is paramount.

Come join our international panel of experts for a lively discussion of successful expansion strategies and the growth markets with the best potential for your business.
