

Southern California Development Forum Presents...

Tuesday, October 8, 2013 - 7:00am-9:00am

Focus on Innovation in Design and Construction

California has become the nation's epicenter in technology, software design and implementation. Come join a conversation with the major Design and Construction players in Southern California focused on innovative technologies and delivery methods to hear what emerging technologies are shaping the future of the industry and providing value to our clients.
