# What the Bipartisan Infrastructure Law Means for Aviation in California

## Tuesday, April 11, 2023

Tuesday, April 11, 2023  
8:00am-10:00am

California Club  
538 S Flower Street  
Los Angeles, CA 90071

The Bipartisan Infrastructure Law provides over \$25 Billion in funding for US aviation facilities. But how will this affect airports in California? Hear from airport leaders from across the state on how this opportunity may influence efforts related to sustainability, emerging technology, and changing trends. Panelists will also discuss issues specific to each airport: current procurement strategies, design ambitions, and alternative revenue streams.
