

A low-angle photograph of a large commercial airplane flying directly towards the viewer, positioned centrally in the upper half of the image. The plane is white with blue and green accents. Below the plane, several tall palm trees are silhouetted against a bright blue sky with scattered white clouds. The trees are of varying heights and are positioned around the plane, creating a sense of scale and location. The overall scene suggests a tropical or coastal setting, likely Los Angeles.

## Planning for the 2028 Los Angeles Olympics – Aviation and Ground Transportation

**Tuesday, April 9, 2024**  
**8:00am – 10:00am**

**Biltmore Hotel Los Angeles**  
**506 S Grand Ave**  
**Los Angeles, CA 90071**

With the 2028 Olympics knocking on Southern California's doorstep, how are our local airports preparing for the games? What steps are the aviation and transportation communities taking to prepare for the influx of passengers as well as the ground transportation coordination required to connect everyone to the broader Los Angeles market? Join us for a conversation featuring leaders from our local airports as well as LA Metro to discuss what is in store for the 2028 Games and what we as the AEC Community can do to support the planning and building efforts.
