**The California Club**  
**538 S. Flower Street**  
**Los Angeles, CA 90071**

SCDF would like to invite you to our annual and casual cocktail reception. The event provides all attendees an opportunity to get back Downtown in-person to network with each other while enjoying a summer evening on the California Club's outdoor patio. Also and importantly, the event allows the SCDF Board to thank the AEC community as a whole, our panelists, our members and our sponsors for their loyalty and support, all which enables us to proudly support our 2022 Philanthropic Award recipient, The Makers HUB. Above all else, this event is a lovely way to enjoy everyone's company, over hors d'oeuvres and drinks. The event is open to all.

**NOTE:** There will not be a Breakfast Event in July, 2022.
