The Future of Data Centers

Tuesday, October 17, 2023

Tuesday, October 17, 2023
8:00am-10:00am

Biltmore Hotel Los Angeles
506 S Grand Ave
Los Angeles, CA 90071

Given the ongoing evolution of data centers, come and join our panel of experts as they discuss and explore the latest trends in this growing field. These trends encompass various aspects, such as sustainability and resilience (eg. meeting Environmental, Social, and Governance (ESG) commitments and provisioning for reliable and regenerative operations), supply chain, cloud and edge computing, and the growing demand for flexibility. We will also learn about Southern California's makeup of datacenter types such as enterprise, hyperscale and colocation.
