

Office Conversions: What's Actually Getting Built and How do they Pencil

Tuesday, May 14, 2024
8:00am - 10:00am

Biltmore Hotel Los Angeles
506 S Grand Ave
Los Angeles, CA 90071

Following the resounding success of last year's insightful discussion on office-to-residential adaptive reuse, SCDF is thrilled to present the next chapter of office conversions, which will dive deeper into what's getting built and how those involved are making them financially feasible. Our expert panelists, at the frontline of such conversions, will unveil the projects that are repositioning and re-shaping our urban landscapes. From dormant office spaces to vibrant new hubs, discover how these industry leaders are doing it and what they are learning along the way. Learn firsthand from those who are not just talking the talk, but walking the walk. Gain invaluable insights into the strategies and innovations driving change of use projects. Forget theoretical debates; this event is all about real-world impact. Don't miss this opportunity to stay ahead of the curve!
